RELEVANT PROFESSIONAL EXPERIENCE

Kelker Pharma

Los Angeles, USA

Product Manager - Nutriling

October, 2024 - September, 2025

- Launched a first-of-its-kind supplement for GLP-1 side effects in a ~\$2.5B category surfaced through physician interviews and clinical-literature review, owning it from concept to market and validating with a 6-month study of 52 users, 77% reporting symptom improvement.
- Onboarded 45 med spa partners after identifying the channel as strongest for distribution, then launched on Shopify.
- Represented Nutriling at the National Obesity Conference and the American Med Spa Association's Medical Spa Show, the field's premier conference with 9,600+ attendees.

Valley Water - US Government Department for Water (Bay Area)

San Jose, USA

Media and Public Outreach Intern

May, 2023 - August, 2023

- Owned outreach for a flood-awareness problem affecting 150,000 individuals, using GIS to map high-risk communities and driving awareness through two channels: strengthening the department's existing social presence (+101,500 views; blog readership +1,616) and building a new strategic physical-distribution program from the ground up.
- Designed that strategy by personally calling residents to learn why prior campaigns missed them, then setting up multilingual materials through the places they frequent (places of worship, schools, grocery stores).

Connecting Youth To Leaders of Today - Podcast Series

Remote, USA

Founding Director of Programs

June, 2023 - Present

- Built a live platform for Pakistani students to put pointed questions directly to global leaders.
- Secured and interviewed 40+ leaders, including Nobel laureates and senior policymakers, through cold outreach and questions designed to draw candid answers from guests practiced at staying on message.
- Averaged 3,835 views per episode and ~12.5% monthly subscriber growth by publishing the archive on YouTube.

Minerva University

San Francisco, USA

Outreach Intern

September 2021- May, 2023

- Increased Minerva's applications by an average of 12,500 per year by leading outreach and presentations across 16 countries in the Middle East, North Africa, and Pakistan.
- Drove a 400% increase in applications from Karachi by identifying it as underrepresented through data review, then running a 3-week in-person sprint of 32 school visits and presenting top-performing schools to stakeholders.
- Grew Minerva's reach within Pakistan by 22% and regional acceptance rates by 0.6% by deepening ties with leading educational institutions and United States Educational Foundation in Pakistan bodies.

Akhuwat Fellowship

Lahore, Pakistan

Fellow, Outstanding Contribution Award

June, 2022 - August, 2022

- Addressed a gap in preventable emergency deaths in First Aid Awareness Programs by analyzing public-health and community data to find the absence of accessible, open-source Urdu first-aid materials.
- Built a standardized Urdu first-aid syllabus covering core emergency scenarios by collaborating with 4 doctors.
- Educated 67 students across underprivileged communities by delivering 5 first-aid awareness sessions in person.

Expatrio

Berlin, Germany

Environmental Business Consultant

January, 2021 - May, 2021

- Raised the company's B-Corp assessment score by ~60% by auditing business practices against B-Corp standards and developing targeted operational and governance recommendations toward certification readiness in a 3-member team.

Downtown Streets Team

San Francisco, USA

Research Intern & Project Manager

September, 2020 - April, 2021

- Managed a research team of 4 contributors by setting milestones, coordinating tasks, and monitoring progress against timelines to deliver a consolidated policy pitch deck with evidence-based recommendations for mixed-methods research on homelessness in San Francisco..
